WEDNESDAY EVENING. FEB. 14, 1874.

HOW TO CURE A SICK HEADACHE .-If you ever have a sick headache, and want it cured quickly and effectively, with none of the debilitating effects of drugs, just take a tablespoonful of red pepper, mix it with vinegar to a thick paste and spread on a cloth, cotton or linen, bind upon the forehead with a handkerchief, from temple to temple, then take about two grains of the red pepper in a teaspoonful of vinegar and swallow it. The mixture on the forehead will burn but will not blister, and in the course of ten minutes the headach will disappear under the stimulating effects of this remedy, I aving the patient feeling as if such distressing hings as sick headaches were unknown to the human family.

FIRST VALENTINES .- The practice of writing verses to lady loves upon the 14th day of February is said to have originated with Charles, Duke of O .leans, who was captured by Edward at the battle of Agincourt and kept a prisoner in England for 25 years, mos of which time he seems to have spent in falling in and out of love with English beauties. His example has result-ed in the production of a fearful amount of doggerel, so that Duke Charles's -hade may feel satisfied that the disaster of Agincourt has been fully avenged.
